

PART 4: REMISSION OF UNIFORM ANNUAL GENERAL CHARGES AND TARGETED RATES FOR RURAL LAND

OBJECTIVES

To provide for relief from uniform charges and selected targeted rates for rural land which is either contiguous or non-contiguous and farmed as a single entity.

CONDITIONS AND CRITERIA

- This policy applies to rural land;
- A remission of charges will apply to additional rating units owned or used by a ratepayer; and,
- In the case of general land in separate ownership there must be some significant development that combines the two properties into one and the owners of each rating unit must confirm in writing that their rating units are being used as one farming operation.
