

Wairoa District Council

Electing 1 Mayor

Craig LITTLE

My principal place of residence is in the Wairoa District Council area.

Born and raised in Wairoa, I've worked locally, nationally and overseas. Educated at Tuai and Wairoa. Married to Jan, proud father of four children, farming in the Ōhuka/Tuai district, also

worked for Affco and QRS.

Councillor and current Mayor, a team player with a strong voice representing you, transparently. I know how Council governance and management work well together!

Wairoa must be sustainable - for both young and old, a place where people want to live, play and build our community.

Successfully led the fight against Council amalgamation - I stand for the 'local' in local democracy. Our Māori Standing Committee now has a stronger voice, to ensure tangata whenua are genuinely a major partner in Wairoa's future.

Wairoa has one of the lowest rates increases in NZ, and Wairoa's many years of relentless population decline has now been reversed.

A VOTE for me is a VOTE for Wairoa's continued success.
