

Wairoa District Council

Electing 6 Councillors

Mike BIRD

My principal place of residence is in the Wairoa District Council area.

I have lived in Wairoa for 56 years. I married Airini Ormond in 1967. We have four children plus nine grandchildren. I've been in business since 1964.

My love for Wairoa is unwavering. My promise to you is to work hard, to help our district keep abreast of today's fast paced world.

I am open minded, practical, and a common sense type of person with a strong work ethic. I have a solid, stable family behind me. I will carefully look at all the relevant information before having the courage to make the right decisions on your behalf.

I am up front and don't know everything but I am willing to listen and learn. I have worked hard for your district and believe you get out of life what you put in.

I seek your support for another term.
