

Wairoa District Council

Electing 6 Councillors

Kurawari Patricia Cheryl PANERE

My principal place of residence is in the Wairoa District Council area.

I'm a whāngai of Ngāti Hinemihi standing to represent everyone, listen to the community and make things happen.

Wairoa could be a thriving, happier and healthier place. For this to happen, I am supporting some specific policies. I'd like to see permits for water and waste disposal going to businesses that are good local citizens and treat workers well, respect their rights and pay fairly.

Council can help businesses and young people through practical support for apprenticeship training. All of us need safe streets and less crime. Council needs to work with the police.

We need a Council that is a good employer and pays the living wage.

Ngā mihi ki a koutou te whānau, te hapū, tō tātou iwi. E hara taku toa he takitahi, he toa takitini.

Let's do it together! Please consider supporting me to keep business and jobs in Wairoa - and bring new ones in.
