

WAIROA

FLOOD MITIGATION
PROJECT

North Clyde wānanga

Tuesday 21 January 5.30-7.30pm

Takitimu Marae - Wharekai

Please note, this hui is specifically for potentially impacted home and land owners, businesses and North Clyde residents – particularly those within the current 2C land categorisation zone.

This is an opportunity for the Wairoa Flood Mitigation team to provide an update and answer any further questions you might have since we last met.

If there are any questions you would like to ask, please email them through in advance to **info@wairoafloodproject.co.nz** and we will do our best to answer them.
