## THINGS TO CONSIDER WITH YOUR PAYMENTS

- Do you have an end date to stop payments?
- Have your circumstances changed, and you do not have a dog in your care anymore?
- Have you taken on extra dogs?

### Is your owner file up to date?

- Have you moved?
- Have you changed your number?
- Has your dog been microchipped?
- Has your dog been de-sexed?

You can always put extra payments on your owner account at any time, this will go towards a credit on your Dog Owner account by using your four-digit owner number.

### Extra Incentives!

The Compliance Team will microchip your dog for free when you sign up to payment plans. Just contact us and let us know!

Free de-sexing vouchers are also available to have your dog de-sexed in Wairoa. This reduces unwanted pregnancies, roaming, aggression, and other behavioural problems.

You are now on your way to making your annual registrations an easier process. Your payments will meet the criteria to have the discounted price and your tags will be sent out.
