

WAIROA DISTRICT COUNCIL ... IN FOCUS

16 November 2017

MAYORAL COLUMN

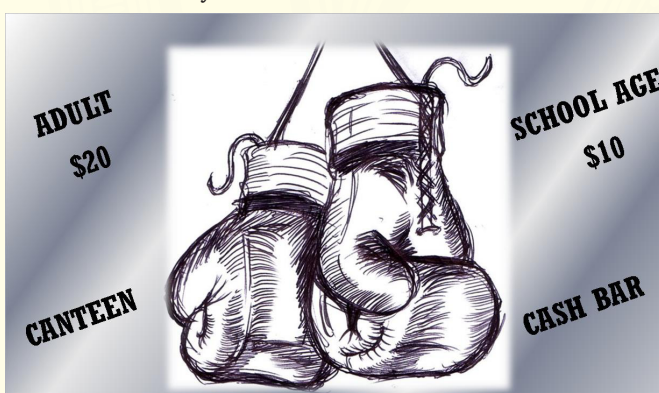

Mayor Craig Little

I won't be staying quiet on the fly-dumping issue in this district until our people change their attitude and behaviour towards this disgusting act. Last week, Council issued fines to those who were responsible for a heap of rubbish dumped at Mahanga Beach, next to a public rubbish bin. These fools left a foam mattress, three full household rubbish bags and a small plastic bag

Parade celebrations on December 2. This year's theme is Sci-Fi to the Sky. Tamariki Road Activities and the Chrissy market starts at 9am, the float parade at 1pm and the whānau concert at 2pm. To register a stall for the market contact Merianne on 022 388 4227 or email: upstreamwairoa@gmail.com. Float registration forms can also be collected from the Centennial Library.

To end the action-packed day on December 2, the Wairoa Boxing Club charity boxing event will swing into action at the Wairoa Community Centre from about 7pm. Tickets are just \$20 for adults and \$10 for students. You can make it an event with corporate tables of 10 people. Please see the flyer below for more details.

next to a bin near the beach. Again, Council will not tolerate this sort of behaviour, and will find out eventually if you are responsible. Let this be a warning to everyone, especially those who are fly-dumping recidivists: Council will not tolerate this behaviour. It's an offence that can carry fines of up to \$1500. Another dumping spot seems to be the Pilot Hill precinct. Remember fly-dumping is an attitude. Those responsible need to understand that there will be consequences for their actions.
