

# Wairoa District Council

## Electing 6 Councillors

---

---

### **Dave EVANS**

Independent

My principal place of residence is in the Wairoa District Council area.

I am the self-employed owner of Zion Garden Services Wairoa. I also do part-time security work.

I was in the merchant navy for thirteen years. I

have been a contractor for Council doing gardens

and street cleaning. I have lived for twenty-six years in Wairoa. I have been involved in various community organisations.

I have been on Council three times before and spent one term on the Māori Standing Committee. So I know how the system works.

I am a people person. I have my feet firmly on the ground. I will give 100% attendance and commitment.

I will encourage tourism and growth. I will keep rate increases realistic. I will promote Wairoa to bring new ventures here and employment. I will support and get the rail up and running again. Finally I will encourage government to increase police numbers in Wairoa.
