### **Denise WHITMORE**

Independent

My principal place of residence is in the Wairoa District Council area.

My name is Denise Whitmore.

For the last 19 years I have run my own real estate business in Paul Street.

Prior to that I spent time as a teacher's aide at North Clyde School. I have spent 19 years as a journalist - first for the Wairoa Star and then the now defunct Daily Telegraph. I completed my primary education at Rangīāhua School and third form at Wairoa College.

I love Wairoa and am encouraged by the current Council's efforts to promote the district to attract businesses and tourists. I want our town to be recognised as the hub of northern Hawke's Bay and as the gateway to our wonderful district. I believe a strong Council will lead to a strong, healthy community which will be better for all of us.
